

The Middlefield Senior Center and Burton Health Care coordinated a Senior Prom for local Seniors on Friday, May 10th, 2024. Over 40 seniors gathered at the Middlefield Senior center for the 2024 prom. Many of the seniors mentioned that they have never been to prom! The Middlefield Senior Center employees, with the help of Kimberly and the Burton Health Care team finally gave them the opportunity. The day was filled with good food, dancing, live entertainment from Terry James, and wonderful prom attire. Thank you to all that made this day so special for our Geauga Seniors!
